Dear Ed. and Norey:

Wonderful boy that, whose picture you send. He certainly looks the part. You were mighty good to drop us a line to keep us posted as to the progress and prosperity of the McIlhenny family. Dr. Davis, here, often speaks of Ed's good success etc. with the company.

The wedding came off last Saturday. I suppose you had official notice of same. Well, another pair of kids made happy at last. Herbie is a nice boy, and Eva Mae a mighty nice girl. I hope she gets some more flesh on her bones now, and keeps well.

I was glad to send on your church letters. But those folks out there will never be able to care for you any more fondly than we did here. It was the right thing to get connected there. I know the church, or did seven years ago. I suppose it has prospered much since then. Mr. Danforth one of the Session comes here rather often to visit the Hildreths. I told him about you folks and he wrote it down. I do remember Wells the minister rather dimly. He was in college with me.

Our new building is finished and we are looking forward to a great year. Everything is perfectly lovely. Miss Giffen has gone home to Scotland for a vacation. The poor hospital still struggles with fate. I think this board is about to resign. The Council knock down their budget and act generally like the possessed. Poor lady, she thinks Lockport is right next door to infernal regions.

Do take a run over when you can. We would like to see you mighty well. Our new family member born June 16th is a fine husky boy with good lungs and big feet.

Our very best to you all.

Sincerely yours,

Dear Folks:

Congratulations and all good wishes to you. Well, at last the ship is launched and you are off. We shall certainly want to keep in touch with you and are delighted to know that you are happily married. It was very thoughtful of you to send us word. You both have contributed many a bright day to the household here. Please remember that the latch-string is always out, and we would love to have you drop off whenever you can arrange it.

Had a letter from the McIlhennys just last week, asking "when is this great wedding to take place".

With affectionate prayers and wishes for all happiness from us both.

Sincerely yours,
